

Fen Ditton C. P. School

## Fen Ditton Primary PE and Sport Premium Grant Planned Expenditure 2021-2022

<u>Key Indicators</u>	<u>2021-2022 Objectives</u>
<ul style="list-style-type: none"> <li>• <b>Key indicator 1:</b> The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</li> <li>• <b>Key indicator 2:</b> The profile of PESSPA being raised across the school as a tool for whole school improvement</li> <li>• <b>Key indicator 3:</b> Increased confidence, knowledge and skills of all staff in teaching PE and sport</li> <li>• <b>Key indicator 4:</b> Broader experience of a range of sports and activities offered to all pupils</li> <li>• <b>Key indicator 5:</b> Increased participation in competitive sport</li> </ul>	<ul style="list-style-type: none"> <li>• Continue to increase the standard of delivery in Physical Education and School Sport with a particular focus on improving staff confidence in delivering high quality Physical Education</li> <li>• Introduce new sports which could be used in the curriculum (Sport Education model) and extra-curricular clubs</li> <li>• Effectively track children’s engagement with Physical Activity and School Sport and provide opportunities to engage children who are inactive</li> <li>• Increase the provision of swimming throughout the school year to support those students who missed out in recent years due to facility closures</li> <li>• Improve community links with outside providers to encourage engagement with physical activity outside of the school day</li> </ul>
<p><b>Swimming:</b> Last academic year, the local swimming facilities were closed to the public due to the Covid -19 pandemic. Therefore, no results could be recorded of year 6 students who could swim 25m. This year, the grant will be deployed to offer additional swimming to those who missed out of curriculum swimming due to the pandemic.</p>	
<p><b>Sustainability:</b> Fen Ditton Primary understand the importance of sustainability when it comes to the PE and School Sport premium expenditure.</p> <ul style="list-style-type: none"> <li>• Extra-Curricular clubs are promoted to offer additional opportunities for children to be active outside of the school day. The aims of these clubs are to inspire pupils and achieve enthusiastic movers who seek opportunities to find an activity which suits them. Having good links with external sports providers in the local community will provide additional opportunities for pupils to engage with physical activity beyond the school day and after they finish primary school.</li> <li>• Increasing physical activity throughout the school day as a way of increasing the student’s moving time and promoting health and fitness is a big target for the next few academic years, particularly in response to the physical activity time lost during the pandemic. We have developed a culture of active lunchtimes at Fen Ditton and offer a range of different sports and physical activities for children to take part in. We are now working towards training our year 6 children to take on some of these leadership responsibilities to ensure the sustainability of what we have built up over the last few years using qualified coaches.</li> <li>• Purchasing physical equipment to promote additional uptake in extra-curricular clubs and introducing new sports within the curriculum are resources, which Fen Ditton Primary will retain ownership, increasing the offer of activities that can be utilised at school for years to come.</li> <li>• Membership to the Cambridge School Sports Partnership provides students with positive experiences and memories which can inspire students to be physically active throughout their lives. The increase of opportunities allows students the chance to further develop their appreciation of being physically active in their lives and will be inspired to seek opportunities in the community to further develop their enjoyment in their chosen activities.</li> <li>• Improving staff confidence to deliver high quality PE lessons through CPD opportunities has allowed colleagues to become up-skilled in all areas of the curriculum which develops their confidence to teach PE and lead school sport activities throughout their time working in education.</li> </ul>	

<b>Item/Project</b>	<b>Cost</b>	<b>Start of Year Objectives</b>	<b>Desired End of Year Outcomes</b>
Lunchtime Sports Coach Key indicator 1 Key indicator 2 Key indicator 4	£8000	<ul style="list-style-type: none"> <li>Increase number of children taking part in physical activity during lunchtimes.</li> <li>Provide opportunities for children to experience new sports and activities.</li> <li>Track which children are engaging and target those who are inactive at lunchtimes by providing opportunities they will engage with.</li> </ul>	<ul style="list-style-type: none"> <li>At least 75% of children will be engaging regularly in lunchtime sports and physical activities.</li> <li>A range of new and exciting sports will have been offered to children at lunchtimes.</li> <li>A tracking system will have been established to enable us to provide opportunities for children who are not participating in lunchtime activity.</li> </ul>
