1.	Welcome from the Chair	
	SW welcomed all to the meeting.	
2.	Apologies and Quorum	
	Apologies were received from Henry James (HJ) that were accepted by governors. The meeting was quorate. SW advised that since the LGB in September, the trust had approved PTs application to be a governor and that Miriam Ferrer was still interested in joining as an associate governor but was unable to attend the meeting.

4.	Governors to complete LGB 2021-22 Tracker	
	SW advised that the tracker was now in one place on SharePoint and CL had included a 'link' to it with the folder titled 'Meetings Academic Year 2021-22'. He reminded governors to continue to fill in the tracker over the autumn term when they had read the specified documents within it. An email from the trust including mandatory safeguarding training was forwarded to governors on 26 th September.	
5.	The Academy Improvement Plan (AIP)	
	SW advised that at the LGB on 20.09.21, non-staff governors had been assigned one of the priorities from the AIP and had since considered how they would monitor and review it. Within the Documents file in SharePoint, there was a folder for each of the nine meetings in 2021-22 and a separate folder titled 'AIP Monitoring'. Within this were further sub-files for each of the five priorities and SW requested that governors upload evidence into the correct folder through the year to allow for a review at the end of 2021-22. Governors then briefly went through each priority in turn: -
