### IMPORTANT: MCAS APP

If you have the mobile app for My Child at School (MCAS) installed, please could you check regularly to see if any communications from the school office are being received on there.  
This may have been the error we have been experiencing with some parents not receiving our Newsletter and other communications.  
We have corrected the issue from our end, but it will help if you could check the app each week just in case anything gets missed via emails.  
Thank you for your cooperation and patience.

### IMPORTANT: School Meal Ordering

You must order your child's meals no later than Saturday each week for the following week.  
If anyone is having any difficulties with this or logging on and ordering your child's meals, then please contact Innovate on 0204 542 7211 or [primary@impactfood.co.uk](mailto:primary@impactfood.co.uk)

### Lost Property

We have a rather large collection of items again in our lost property box.

**Anything and everything brought into school from home should be named.**

Any items unclaimed at the end of this term will be donated to the local clothes banks as we cannot store unnamed clothing indefinitely. We will do our best to reunite lost property with its owner but cannot be held responsible for any items that go missing. If it is not named, it is more likely to be lost.

The Lost Property Box can be found in the playground every day – please check to see if any items belong to your child.

### **Update Regarding Construction Works**

*Please allow for extra time in both getting your children to school in the morning and on picking them up in the afternoon whilst these works continue, as there is a lot of traffic throughout the day.*

### **Please find an update below from Milestone Infrastructure:**

Works are currently progressing faster than we had initially programmed to the North of the A14. We were expecting to work within Fen Ditton in January but our team have managed to complete the works ahead of schedule. This means we have now started the work at the top of Fen Ditton.

The works in the village will start from the very top, close to the A14 Entry slip road and extent around 300m, just touching the first properties as you enter Fen Ditton. This is likely to take a further 2-3 weeks, meaning we may commence 1-2 weeks works outside the school from around **20<sup>th</sup> November**.

Our aim is to complete as much works this side of Christmas to reduce the impact around the school in the new year. Apologies we cannot provide more accurate details on dates but will keep you updated and confirm details as and when I can.

Thank you for everybody's support and patience whilst this work is being completed.

### **Second-hand Uniform**

The PTFA have installed a permanent second-hand stall on the school ground. It is sited on the patio by the year 1 class doors. It is open 24/7, ask any member of the staff for the lock combination. We have loads of lovely items in great condition, so please come and browse.
