## Water Bottles

Please don't forget to send your child  
in with a water bottle  
every day.

## Science Show at The Marleigh Primary Academy

Last Friday the children from Parks, Brunel, Kahlo and Scott Classes set off from school to walk to Marleigh Primary Academy to watch a science show by the Cambridge Science Centre. The show was all about materials and how we can use them to protect us. We learned about the materials in fire fighter's suits and about the 7 layers of different materials that are used in astronauts space suits. We also saw how some materials can even protect Percy Pig sweets from the dangers of fire. The show was brilliant and the children enjoyed the experience, especially the interactive parts! It was a great way to celebrate science week and inspire our future scientists.
