Useful Information

Free School Meals Eligibility

All families are encouraged to check eligibility for free school meals even if you do not think you would qualify at this point. Once you have completed the attached application form, they will be able to continue to check eligibility throughout your child's school years using the ECS checking system. You would then be notified if you become eligible in the future.

Meal Ordering System

We have had a few parents experiencing problems when booking meals, it seems that some meals randomly drop off. We would advise all parents, once you have booked and saved your meal choices, to log back in and double check that all the meals you have picked are still showing.

School Meal Ordering System

If you are unable/do not pre order meals for the following week, you will need to send your child in with a packed lunch.

Please remember, if you know of any times your child will be out of school e.g. medical appointments, trips etc then you will need to cancel the meals via the online system in advance or you may still be charged for these meals.

We have had a few parents experiencing problems when booking meals, it seems that some meals randomly drop off. We would advise all parents that once you have booked and saved your meal choices, to log back in and double check that all the days meals are still appearing.

If anyone is having any difficulties with this or logging on and ordering your child's meals, then please contact Innovate on 020 45427211, Monday-Friday 9am-3.30pm or primary@impactfood.co.uk.
