A Message from The Executive Lead Team

It has been wonderful to see everybody after the summer break and welcome our new children and families.

We have had a great first week and the children are building good relationships with their class teams and getting used to new routines.

Best wishes,

The Executive Leadership team

Useful Information & Reminders

Harvest Assembly

Harvest Assembly will take place on Monday 23rd September. Children will be invited to bring donations for the food bank. Please look out for more information to come soon.

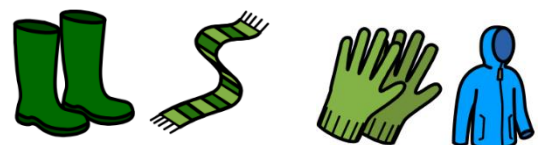

New telephone System and Absence Reporting

We now have a new telephone system. When you call the school number you will be given options to choose from. If you are reporting your child absent, please select option 1 and leave a message, the school will be alerted once you have done this. Of course, if you need to speak to one of the office team there is an option to do this also. Thank you for your cooperation.

Cold Weather

Now that the colder weather is approaching, please make sure to send your child to school in appropriate clothing and footwear.

Reading Books

Please could everybody check at home to see if they have any school reading books from last year, especially Read Write Inc phonics books, and return these to class teachers. You will be receiving a letter about reading expectations for this year soon.

Meal costs from September 2024

From September 2024 the price of a school meal will increase to £2.75 per day. Please see the letter attached from our catering partner outlining the reasons for the increase.

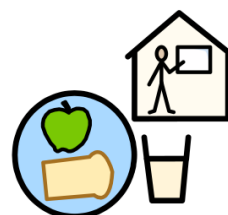

School Meal Ordering System

If you are unable/do not pre order meals for the following week, you will need to send your child in with a packed lunch.

Please remember, if you know of any times your child will be out of school e.g. medical appointments, trips etc then you will need to cancel the meals via the online system in advance or you may still be charged for these meals.

We have had a few parents experiencing problems when booking meals, it seems that some meals randomly drop off. We would advise all parents that once you have booked and saved your meal choices, to log back in and double check that all the days meals are still appearing.

If anyone is having any difficulties with this or logging on and ordering your child's meals, then please contact Innovate on 020 45427211, Monday-Friday 9am-3.30pm or primary@impactfood.co.uk.
