

Autumn 2025

The PTFA Post

Bringing our school community together

Welcome

This is the first of our termly newsletter outlining the fabulous work of the Parents, Teachers, and Friends Association (PTFA) at Fen Ditton Primary School and across the Anglia Learning family.

Did you know that your PTFA is a membership charity, run by trustees and a wonderful committee? Each year we work tirelessly, to raise funds to support our children's learning, and to create opportunities for our school community to come together and have fun.

As parents/carers, you are automatically a member of the PTFA – this means you can vote at our AGM, and have a say in how the Charity raises and spends money for the school.

In this edition of our newsletter, you can explore the different ways you can get involved, keep a note of important dates and hear a little more from our Chair, Rebecca. I hope you find it useful.

What we funded in 24/25

Last school year, we ran a number of activities and raised over **£3000**. This meant that we were able to provide:

- Book bags for all Reception children
- Y6 hoodies
- New scooters and equipment for playtime
- A trip to the panto for the whole school

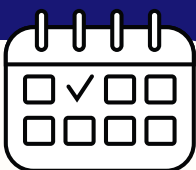

And watch out for the new playground markings coming in the Autumn term...we funded those too!

Spotlight on...PTFA Chair, Rebecca

I'm carer to Maya (Y1) and Lily (R), and I joined the PTFA because I really believe in what it stands for—not just fundraising, but building connections and a stronger school community. It's helped me feel more involved in school life, which benefits the girls too. I've made friends and got to know more parents, carers, and teachers. As part of my role, I also encourage others to get involved—so if you see me in the playground, come say hi!
