DRAGONFLIES HOME LEARNING

MUSIC

Tempo
Fast or Slow? Create a performance, playlist, poster, or presentation showing examples of music, sounds, or movements that are fast like a mouse and slow like a snail. Explain how different tempos change the mood.

SCIENCE

Materials - Everyday Materials
Materials Masterpiece. Collect or photograph objects made from different materials around your home. Create a museum display, poster, scrapbook, model, or video explaining what each item is made from and why that material was chosen.

DT

Mechanisms
Design a Game Create your own sliding game inspired by a favourite book, animal, season, or hobby. Make moving parts using card and paper and challenge someone at home to play it.

RE

How Did the World Begin?
Creation Story Creator. Explore a creation story from a religion or make up your own. Present it as a comic strip, storybook, puppet show, animation, collage, or model.

PHSE

Citizenship: How Can I Help Others and the Environment?
Community Hero Challenge. Think of a way you can help your family, community, or the environment. Record your actions in a diary, poster, photo collage, video, or leaflet showing the positive difference you made.

ART

Exploring Line and Shape
Shape Search Artist. Go on a shape hunt around your home or neighbourhood. Use the shapes you find to create an original piece of artwork. You could draw, paint, collage, or create digital art.

COMPUTING

Programming - Commands Unplugged
Be the Robot! Design an obstacle course for a family member. Write or draw a set of commands to help them complete it. Test your instructions and improve them if something goes wrong.

PE

Yoga
Create a yoga journey based on a story, animal habitat, or favourite place. Draw, photograph, or perform 5-10 poses that take the audience on an adventure.

GEOGRAPHY

Where Am I?
My Place, My Map. Create your own map of a place that is important to you. It could be your home, school, local park, or street. Include landmarks, symbols, and a key. You could even build your map using Lego, recycled materials, or natural objects.

FEN DITTON C.P SCHOOL

Homework due in **every Wednesday.**
Complete one challenge a week in any order. Up to 5 house points for your house per challenge (with a total of 30 house points to earn per half term!)
