OWLS HOME LEARNING

ART

A Closer Look
Draw a leaf, plant or natural object from observation. Use light and dark pencil shading to show texture and form. How will you keep its proportions accurate?

DT

Wobble Bot Designer
Design a wobble bot that could explore a rainforest. Draw and label its parts, including its battery, motor and switch. What would you want it to do?

PE

Space Sequence
Create a short dance inspired by space. Include a turn, a balance and changes of level. Can you link your movements smoothly?

SCIENCE

Our Place in Space
Create a model, diagram or fact file showing the Sun, Earth and Moon. Explain how the Earth's movement causes day and night.

GEOGRAPHY

Rainforest Explorer
Create a rainforest guide with a labelled picture of its layers. Which plants and animals live there? Explain why rainforests matter to people and wildlife.

FRENCH

Dress for the Adventure
Design an outfit for a rainforest explorer. Label at least five items of clothing in French using your class vocabulary or an online dictionary.

MUSIC

Rainforest Soundscape
Create a short piece of music inspired by a rainforest using your voice, body percussion or household objects. How will you build up and change the sounds?

PSHE

Friendship Matters
Create a comic showing a friendship disagreement and a respectful way to resolve it. How could each person listen, explain their feelings and make things better?

ENGLISH

A Message from the Rainforest
Imagine you are a rainforest animal whose home is changing. Write a letter to humans explaining what is happening and what you would like them to do.

FEN DITTON C.P SCHOOL

Choose from these nine open-ended challenges. Share your learning through writing, drawings, models, photographs or a performance. Homework due in every Wednesday.
Complete one challenge a week in any order. Up to 5 house points for your house per challenge (with a total of 30 house points to earn per half term!)
