SQUIRRELS HOME LEARNING

ART

Look Closely
Choose an everyday object and draw it carefully. Try using different pencil marks to show its shape and texture. What details can you spot?

GEOGRAPHY

Living Near a Volcano
Create a poster explaining why someone might choose to live near a volcano. Include a benefit, a risk and a labelled drawing.

PE

Move Like a Volcano
Create a short dance showing a quiet volcano, rumbling ground and an eruption. How will you change the speed and height of your movements?

SCIENCE

States of Matter Detectives
Find solids, liquids and gases around your home. Draw and label your examples. How could you group them by their properties?

RE

Water Wonders
Find out how water is used in a religious ceremony. Draw or write about what happens and why water is important to the people taking part.

DT

Perfect Packaging
Design packaging for a small gift using reused paper or card. How will you keep the gift safe? Decorate it and explain your choices.

MUSIC

Rhythm Explorer
Find out about an instrument used in Indian music. Draw it and describe its sound. Create a short clapping rhythm to perform to your family

PSHE

Everyone Belongs
Design a welcome guide for a new child in Squirrels. What could you say and do to help them feel safe, included and respected?

ENGLISH

The Mountain Rumbled
Write a short adventure beginning with: “At first, I thought the mountain was asleep…” What happens next? Describe what your character sees, hears and feels.

Choose from these nine open-ended challenges. Share your learning through writing, drawings, models, photographs or a performance. Homework due in every Wednesday.
Complete one challenge a week in any order. Up to 5 house points for your house per challenge (with a total of 30 house points to earn per half term!)
